Workforce Engagement & Behaviour Change – Workshop

Introduction

Your staff are your greatest allies in creating positive change at work and will help your organisation to:

- Reduce its overall carbon impact and implement sustainability targets
- Embed sustainable work and lifestyle practices
- Provide new ideas and ongoing impetus

Use this session to explore how to get staff involved and to learn from policy and practical initiatives instigated by UWE staff and students. The session will incorporate a tour round campus taking in a range of sustainable features and will aim to equip you with a feasible action plan for staff engagement for your business.

Who is it for?

This workshop is open to eligible SMEs on the Workforce for the Future programme. To be eligible for support, you must have a business presence in the West of England (Bath & North East Somerset, Bristol, South Gloucestershire and North Somerset) and be a small or medium sized enterprise (SME).
