

Online Fundraising

Introduction

The use of digital fundraising reflects our preferences and trends in how we give. Charities often rely on cash donations, but as cash is no longer king, it is important that the fundraising techniques used are reflective of societies habits.

Who is it for?

This course is designed for non-profit organisations who need support in becoming more digital. It will look at how to use technology to ensure that your organisation can develop online fundraising strategies and stand out within a digital world.

What will I get out of it?

- An understanding of how to optimise your website to increase your online donations
- Introduction to concepts such as click to give & giving by mobile
- An overview of online donation websites and understanding the best options for your organisation
- How to use crowdfunding as part of wider communications
- Tools to develop a campaign using social media
