Student Ventures Summer Scholarship 2022

The UWE Enterprise Team is offering you the chance to bring your ideas to life with a Student Ventures Summer Scholarship. Secure funding to grow a business or social enterprise, start a project or conduct innovative research!

These scholarships will run on Frenchay Campus for 8 weeks over the summer. Many of the aspects of the scholarship can be completed online or in person.

What do you receive?

- £1,000 of funding
- Access to external mentorship
- 121s with the Enterprise team
- Start-up skills and business development workshops
- Join a virtual online community of fellow Scholars
- Access to co-working hub at Frenchay Campus

Find out what the class of 2020 got up to during their Scholarships by [looking through their Yearbook](#).
